When appointments become available for booking online:

1. At midnight, the next possible working day is automatically released online with a 14-day run-up
2. Appointments for the following week are released online every Thursday evening around 6 p.m.
3. Last-minute day appointments are released online shortly before opening time (8 a.m.) on the same day, depending on staffing availability.
4. Saturday appointments are released on Monday of the same week

Consultations without an appointment can be made during the “restricted consultation hours” (“Kontingentsprechstunde”) between 8 a.m. and 9 a.m. until all appointments are assigned.
